# Why G&P Logistics ?

# Quality and Safety

**G&P Logistics is proud to be ISO certified, ensuring our management, processes, products, and services meet the highest standards of quality. Our Quality, Environment, and Health & Safety Management Systems are designed to enhance performance, maintain excellent customer service, and support sustainable development initiatives.**

- ISO 9001:2015, is a Quality Management System (QMS) which gives organizations a systematic approach for meeting customer objectives.
- ISO 14001:2015, is an Environmental Management System (EMS) which provides a system for measuring and improving an organization's environmental impact.
- OHSAS 18001:2007, Occupational Health and Safety Assessment Series, is a British Standard for occupational health and safety management systems. Compliance with it enables organizations to demonstrate that they have a system in place for occupational health and safety.

# Why Outsource?

- Outsourcing logistics operations offers several compelling benefits. Managing logistics internally can be complex and demanding, especially with rising transportation costs. Partnering with a reliable company like G&P Logistics can significantly reduce these costs and streamline operations.
- G&P Logistics specializes in transportation, warehousing, distribution, customs clearance, and freight forwarding. We offer tailored logistics solutions and effective outsourcing strategies at competitive rates. By choosing G&P Logistics, you ensure efficient, cost-effective, and customized logistics services.

## LOGISTICS OUTSOURCING TRENDS & STATISTICS
