A warm, golden-hour photograph of two children with curly hair running through a field of tall grass. The child in the foreground is holding a large, colorful kite with long, flowing streamers. The child in the background is also holding a kite. The sun is low on the horizon, creating a soft, glowing light across the scene.

About ACC

Since 1957, Alkhorayef Commercial Company (ACC) has been contributing to the Kingdom's ongoing growth and development by delivering reliable, high-impact solutions across vital sectors. Today, ACC serves a diverse portfolio including agriculture, transportation and logistics, material handling, marine, entertainment, and golf & turf—supporting industries that keep Saudi Arabia moving and growing.

As the trusted and exclusive partner for a range of world-leading brands, ACC brings advanced technologies and proven expertise to the local market. Beyond products, ACC delivers end-to-end value through strong aftersales support, technical know-how, and customer-focused service. Driven by performance, reliability, and long-term partnerships, ACC continues to help its customers operate smarter, perform better, and grow with confidence.

Alkhorayef Commercial is a leading Saudi provider of multi-sector equipment and solutions, including:
